Publication of the date for staff delegation elections!

The Ministerial decree ("arrêté ministériel") of 13 October 2023 sets the date of the social elections for the renewal of the staff delegation on: **12 March 2024**.

It is **mandatory** to set up a staff delegation in all companies (regardless of the nature of their activities, their legal form or their sector of activity) employing at least 15 employees during the 12 months prior to the 1st day of the month to the posting of the announcement of elections.

To prepare you as well as possible for the organisation of social elections and answer all your concerns, workshops will be organised by our experts.

Our Employment Law Department will be happy to help you organise your social elections and answer any questions you may have.
