Telework: overview

Telework for cross-border workers:

The respective agreements concluded with the cross-border countries (Germany, Belgium and France) not to take into account teleworking days due to the pandemic for the calculation of the tax and social security thresholds are **all now valid until 30 June 2022**.

Telework in supervised entities:

As the Government has not yet officially announced the end of the pandemic, **CSSF Circular n°21/769 on telework still does not apply in supervised entities**. The CSSF will make a statement upon its application in order to inform the supervised entities.
