As of July 1, 2022, Lionel BONIFAZZI and Valeria ERCOLINI join KLEYR GRASSO and become the new tax team within the firm.

Lionel BONIFAZZI has been a tax partner in a leading Luxembourg law firm since 2016 and focuses in particular on international corporate tax. Valeria ERCOLINI has important experience in advising international clients on the tax aspects of corporate reorganisations and refinancing, as well as on the structuring and implementation of domestic and cross-border mergers and acquisitions. Clients appreciate her responsiveness and have great confidence in her judgment, as she always takes into account the business objectives of her clients. She is a regular speaker at conferences organized by the *Institut Luxembourgeois des Administrateurs* (ILA). Prior to joining KLEYR GRASSO, she was a director in the corporate and tax practice groups of another leading Luxembourg law firm, and before that, she worked with one of the Big Four audit firms in Luxembourg in the corporate services department.

Managing Partner **Marc KLEYR** commented: *"The establishment of our tax practice is another step in our strategy of growth to a full-service firm. Further to the welcoming in June of a new Investment Funds team, we are now completing our client services offer by the tax practice that supports the activities of both our Investment Funds and our Corporate & M&A teams. Having a dedicated tax practice has become critical to meeting the demand from local and international clients who need to ensure they comply with the ever-changing tax laws and regulations. We warmly welcome Lionel and Valeria and look forward to working with them."*

Lionel added: *"I am thrilled to be joining KLEYR GRASSO and contributing to its expansion and its continued success. The firm offers large opportunities for my practice; it has a strong market presence, an excellent reputation in all practice areas, and has become one major actor in the Luxembourg legal market. With my team, we will endeavor to provide a seamless high-quality service to both, all of our existing clients and KLEYR GRASSO's demand."*
