Revue luxembourgeoise de droit immobilier

The latest issue of the *Revue luxembourgeoise de droit immobilier* has just been published! In this edition, which is specially dedicated to real estate criminal law, you will find articles written by our lawyers Mélanie Trienbach and Nora Dupont:

>

Les accidents de chantier : prévention et responsabilités pénales, Nora Dupont

>

Détection et répression des infractions environnementales : aspects juridiques, Mélanie Trienbach

Thank you to all the contributors of this new issue, whose high-quality articles make this review a true reference in real estate law in Luxembourg.

Discover excerpts from the articles [here](#). The review is available on the websites of **Legitech** and **Lexnow**.
