

**Rina BREININGER**

Partner

Rina has an outstanding experience in corporate and M&A, financing transactions, capital markets, private equity, securities, public offerings and insurance and reinsurance regulatory matters. She is a highly regarded practitioner in her practice areas with more than 20 years of experience and participated as expert in the Luxembourg part of the "Study on the application of the cross-border mergers directive, for the directorate general for the internal market and services, the European Union", published in September 2013.

Rina is heading the capital markets practice and is heading the firm's corporate practice area.

Before joining the firm in 2005, Rina was formerly a lawyer in a large law firm in Luxembourg where she practised for almost 16 years and moreover gained significant experience as in-house-counsel to the Luxembourg entities of the Delton AG, which is a strategic management holding company (located in Bad Homburg, Germany) that manages value creating business activities in the sectors of pharmaceuticals, household products and logistics having worldwide around 12,000 employees, during a period of 3 years.

Rina is regularly involved in high profile international and national corporate and finance transactions.
